RE: PSCW Docket 137-CE-139: ATC's North Madison to Huiskamp Transmission Project

Dear Judge Marion:

We respectfully request full part status to assert our interest in the above-captioned matter. As ratepayers in Wisconsin, we will be affected by the PSCW decision regarding ATC's North Madison to Huiskamp Transmission Project.

Additionally, we question the overall need of American Transmission Company's proposed transmission projects in Southern Wisconsin. We believe the projects are flawed due to the lack of an independent environmental impact study and a failure to provide viable energy alternatives (i.e. conservation, new technology).

Thank you for your attention to this request.

Sincerely,

Kevin and Catherine Huska
